

Privacy Policy – EMSTRAP

Effective Date:01-01-2026

Welcome to **EMSTRAP**. Your privacy is important to us. This Privacy Policy explains how EMSTRAP collects, uses, protects, and handles your personal information when you use our website, applications, and services.

1. Information We Collect

When you use EMSTRAP services, we may collect the following types of information:

Personal Information

- Name
- Email address
- Phone number
- Location data (during emergency alerts)

Device Information

- Device type
- IP address
- Browser information
- Operating system

Emergency Data

When you trigger an emergency alert using EMSTRAP, the system may collect:

- Location coordinates
- Images captured during emergency alerts
- Time and date of alert

This information is used only to provide emergency assistance.

2. How We Use Your Information

EMSTRAP uses the collected information for the following purposes:

- To provide emergency alert services
- To notify nearby responders (hospitals, ambulances, doctors, or authorities)
- To improve the performance and security of our platform
- To communicate important updates regarding EMSTRAP services

- To analyze system usage and improve features
-

3. Data Sharing

EMSTRAP does **not sell, trade, or rent personal information** to third parties.

However, your information may be shared with:

- Emergency responders (ambulances, hospitals, doctors)
- Law enforcement authorities when required
- Service providers helping us operate the platform

This sharing occurs **only when necessary for emergency response or legal compliance**.

4. Data Security

EMSTRAP implements appropriate security measures to protect user information, including:

- Secure servers
- Encrypted communication
- Access control mechanisms

While we take strong measures to protect your data, no online system can guarantee absolute security.

5. User Rights

Users have the right to:

- Access their personal data
- Request correction of inaccurate data
- Request deletion of personal information where applicable

Requests can be made by contacting EMSTRAP support.

6. Cookies and Tracking Technologies

Our website may use cookies and similar technologies to:

- Improve user experience
- Analyze website traffic
- Maintain system functionality

Users can disable cookies through their browser settings if they prefer.

7. Third-Party Services

EMSTRAP may integrate with third-party services such as:

- Maps services
- Messaging services
- Cloud hosting providers

These services operate under their own privacy policies.

8. Changes to This Privacy Policy

EMSTRAP reserves the right to update or modify this Privacy Policy at any time. Updated versions will be published on the official EMSTRAP website.

9. Contact Information
